FIREMEN PLAN
FULL SCHEDULE
OF ATTRACTIONS
FOR JULY FETE

The Gettysburg Fire company's carnival festival at the Recreation park, to be held in conjunction with the celebration of the 89th anniversary of the Battle of Gettysburg July 1 through 6, will feature a number of new attractions, Donald W. McSherry, chairman of the general committee, told members of the fire company at the April meeting Wednesday night at the fire engine house.

There will be several riding devices for children, free aerial acts, fireworks and other entertainment, McSherry said. Burgess William G. Weaver, president of the fire company, and co-chairman of the general committee, said that the U.S. Air Force drum and bugle corps would lead the Fourth of July parade and remain in Gettysburg for a concert and exhibition on Sunday afternoon, July 6, at the high school athletic field.

All Dues Are Paid
The drum corps is rated one of the finest of its kind in the country. It appeared in the district drum and bugle corps competition in an exhibition role last summer at the Hershey stadium, where it won high acclaim, for its music, drilling, chorus and its Kiltie band.

President Weaver presided at the meeting. One new member was elected, Donald T. Peters, 321 Carlisle street. Financial Secretary Donald Hammers reported that dues of every member of the fire company are paid. Two applications for membership were referred to the investigating committee.

The fire company voted to attend the annual state firemen's convention in Scranton October 6, 7, 8 and 9, and Treasurer Joseph E. Codori was directed to send a deposit reserving rooms for 60 men at the Plaza hotel. Charles W. Culp, Jr., reported on a recent trip with George D. March and Glenn Weishaar to Scranton to arrange room reservations.

Fire Drill Tonight
An invitation to join the Cumberland Valley Firemen's association was tabled until the next meeting. Arthur R. Buehler, a member of the fire company for more than 20 years, was placed on the retired list at his own request. Contributions from Charles T. Ziegler for pumping water out of his cellar and from C. W. Epley were read and acknowledged.

Assistant Fire Chief Donald McSherry announced for Fire Chief Donald W. Jacobs that the first fire drill will be held this evening at 6:30 o'clock. The drill is for all members of the company. All drivers for the new Mack truck are directed particularly to be present.

The following committee was named for the refreshments for the May meeting: Charles Fridinger, Donald Polkenroth, William Gallagher, Francis Groft and Glenn Guise.

Attorney Richard A. Brown, president of the Adams county cancer society, presided. Plans were outlined for the cancer crusade in Adams county: a film strip was shown of the activities of the Pennsylvania division and a recording was played of an address given by Dr. Milton S. Eisenhower, state chairman of the 1952 crusade. Others present at the luncheon included Mrs. Joseph E. Codori, county captain, and Mrs. Walter Spofford, Harrisburg, field representative.

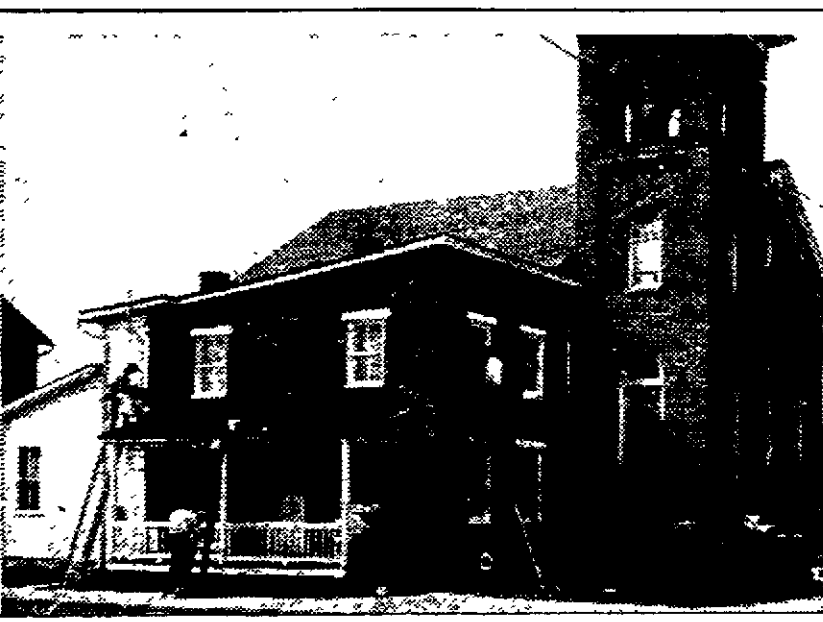

"Cancer is the second leading killer in our country today," Mr. Gerber said, "following only heart disease. Cancer kills seven times as many persons in the United States in one year as are killed in automobile accidents. The magnitude of the cancer problem is indicated in statistics showing cancer strikes one out of five Americans. Not only will one person in every five have cancer, but one out of every eight persons will die from it."

SHOW FILM TONIGHT
The film, "Barabba, the Robber" will be shown this evening at 7:45 o'clock in the First Baptist church, South Stratton street, under the auspices of the Baptist and Church of the Brethren congregations who will worship jointly. The public is invited.

THREE DAYS OF
SERVICES BEGIN
HOLY WEEK FOR
ALL CATHOLICS

The anniversary of the founding of the sacrament of Holy Eucharist was observed today in churches throughout the county as the Holy Week period entered its most solemn moments.

At St. Francis Xavier Catholic church here and other Catholic churches throughout the county, school children marched in traditional processions through the churches to a repository for the Sacred Host at the start of the Holy Thursday services.

In observance of the anniversary of the Last Supper when Christ pronounced the words "This is my body," and "This is my blood," thus instituting Holy Communion, many received Communion. Holy Communion was distributed here at 6:30, 7 and 8 o'clock this morning.

Continuous Devotion
Throughout today, in the Catholic churches, school children and adults took turns in praying before the repository where the Host will rest until the Mass of the Pre-sanctified Friday morning. Friday, the anniversary of the death of Christ on the Cross marks the only day in the year when there is no consecration of hosts at masses in Catholic churches.

This evening at 7:30 o'clock a Holy hour will be held at St. Francis Xavier with a sermon by the Rev. P. Luke McKenney, O.P. Confessions will be heard after the service. From the conclusion of the Holy hour tonight until Friday morning at 8 o'clock men of the church will take turns for one hour vigil before the repository.

Good Friday services will include the Mass of the Pre-sanctified and procession at 8 a.m., veneration of the cross during mass, three hours' agony devotion from noon to 3 o'clock with sermons by Father McKenney.

1,600 Homeless In Worst Flood
In Pierre, S. D., In 71 Years

Pierre, S. D., April 10 (P)—Streets of this capital city of 5,700 inhabitants resembled dirty canals today as flood waters of the Missouri river surged slowly but steadily upward.

The big muddy river spilled onto about 100 blocks of Pierre and all of Fort Pierre, a town of about 700 persons across the river. Red Cross officials estimated about 1,600 persons already were homeless.

It was Pierre's worst flood in 71 years. A crest of 25 feet was expected. The Missouri stood at 23.6 feet at nine o'clock last night and the swirling water was climbing at a rate of 5 feet an hour. Flood stage here is 15 feet.

Army engineers issued flood warnings for downstream cities along the rampaging stream. The crest was expected to hit Sioux City, Ia., Monday or Tuesday, and swirl into Omaha, Neb. April 17-18. Mayor Ralph Henderson of Sioux City proclaimed an emergency calling for evacuation of 200 homes, the stockyards and a packing plant on Friday. National guardsmen were mobilized for the emergency. The weather bureau at Omaha forecast a crest two feet above the 26.6-foot levees erected to protect that city and neighboring Council Bluffs, Ia.

The commissioners hope to renovate the interior of the building into a hospital section and additional rooms for county home residents. Under the proposed plan the exterior will also be refinished.

A county aid application of Mt. Pleasant township for \$2,707.82 was approved Wednesday.

Two Damage Actions
Will Be Tried Soon

The Jay D. Johnson property damage action will be heard at the April term of court, Prothonotary Wayne K. Shields said today.

In a recent opinion handed down by the court, the damage cases were set for retrial. Originally the suits, which grew from Johnson's appeal from the findings of viewers, were held as one trial. The opinion set a period of time during which the Commonwealth of Pennsylvania, defendant in the action, could present objections. No objections were listed and the cases were set for retrial. The cases involve damages to the two Johnson properties, one at Caledonia and one near McKnightstown, caused by relocation of the Lincoln highway west of here.

Denies Story Printed
By Harrisburg Paper

Sheriff Dorsey J. Schultz today denied a statement credited to him by a Harrisburg paper this morning that a band of gypsies reported "camped" on the Lincoln highway Wednesday had made no application to stay in this area, where, the newspaper story said, the fee for such a permit is \$50.

The paper said "about 15 truckloads of gypsies loomed suddenly on the outskirts of Gettysburg late Wednesday but were ordered to move on when they were unable to produce the necessary permit."

Sheriff Schultz said he had no knowledge that such a band of gypsies had stopped anywhere Wednesday. He said he saw "five or six" trailers parked on the Biglerville road near the county farm Tuesday, but these moved shortly after noon. He denied that he or his deputies told any Harrisburg newspaper anything about gypsies.

Sgt. Joseph E. Temple, head of the Gettysburg substitution detail of the state police, said that a band of "gypsies" were reported camped in 14 or 15 trailers east of Gettysburg Wednesday night near Natural Springs park, and he had ordered them to move.

Local Man Helps
In African Survey

A former Gettysburg man, Philip E. Hoffman, is one of two American engineers surveying "the last gap in the measurement of the length of Africa."

According to an English newspaper, the area is along the 30th meridian on a 650-mile unmeasured arc stretching from just south of Lake Albert to Malakal in the Sudan. Decision to map the area was taken when the International Union of Geodesy (land measurement) and Geophysics met at Brussels last July. The English newspaper, writing of the problems facing the two Americans in charge of the project, Hoffman and Donald L. Higgins, observed, "As the work will have to be carried out in mountains or brush, one station will be 10,000 feet up on the Ruwenzori. Much of the area lies through practically uninhabited swamp. It is dead flat and covered with papyrus. Sighting towers up to 100 feet high will have to be built at 15 mile intervals. Getting materials and labor for the building of these towers in the depths of the trackless bush and swamp is a major engineering feat. Helicopters may have to be brought from the U. S. to drop supplies."

Hoffman and Higgins head a crew of 30 carrying out the work.

Schools Close Today

WARRIORS DROP 2-0 DECISION TO BUBBLER 9

A squeeze bunt in the third inning which enabled two runners to score gave the Boiling Springs high school baseball team a 2-0 victory over the Gettysburg high nine in the Warriors' opening game of the season Wednesday afternoon at Boiling Springs.

"Skip" Fisco, veteran Gettysburg hurler, and Don Mentzer, Bubbler ace, hooked up in a beautiful pitchers' battle with the former giving up but two hits while Mentzer yielded one. All were in field safeties.

Clark opened the last of the third frame with an infield hit and Lebo drew a walk. Clark went to third on a passed ball and later Lebo stole second base. Mentzer laid down a bunt and both runners streaked over as the ball was played slowly.

Jim Hankey, Warrior left fielder, spoiled Mentzer's bid for a no-hitter when he beat out an infield hit in the second inning.

A total of but five balls were hit during the game to the outfield.

The Warrior's next game will be Friday, April 18, when Hanover will be met here in the opening South Penn league game.

Twilight League Meeting Tonight

SAWYER'S STAR ROOKIE BEATEN BY CARDINALS

By ED CORRIGAN
(Associated Press Sports Writer)

Eddie "Austerity Program" Sawyer, the Philadelphia Phillies' scholarly manager, had a brand new problem on his mind today, along with the recurrence of an old one.

Remember Steve Ridzik, the rookie who hurled the no-hitter against the St. Louis Cardinals the last time out? It turned out that he didn't have any Indian sign yesterday on the Red Birds, who knocked him out in the sixth inning and went on to win, 3-6.

Ridzik was somewhat of a surprise to Sawyer, inasmuch as the rookie compiled only a 5-11 record with Baltimore last year. Sawyer doesn't intend to abandon Steve, however, although he has his fingers crossed that the no-hitter wasn't a fluke.

Then, while he was mulling over the shelling Ridzik took, Sawyer brought in his one-time relief ace, Jim Konstanty. Two years ago, when Konstanty got in a ball game, he usually was the last pitcher in the Phillies' part of the line score. He was that effective.

Konstanty Blasted

Well, the aging Jim managed to fan Del Rice, but was slapped for successive doubles by Gene Mauch and Cloyd Boyer, neither of whom is regarded as exactly a fence buster. Even with his strong starting hurlers, Sawyer was hoping that Konstanty would come back to his 1950 form when he won 16 games and compiled a 2.66 earned run average. Last year he won just four with an ERA of 4.03.

The Cards even won the "B" game part of a doubleheader, whipping the Phils, 3-2 in a five-inning affair called by darkness.

But the Cleveland Indians certainly have a hoo-doo on the New York Giants. The Tribe slapped down the New Yorkers for the 11th time in 13 meetings, 2-1, only only three hits. Ironically, the Giants got nine off the combined offerings of Bob Chakales and Lefty Kerrigan. The only one that caused any concern was Wes Westrum's homer in the sixth.

The major leaguers didn't fare so well in night games, though. Memphis of the Southern Association defeated the Pittsburgh Pirates, 3-2, and the International league Baltimore Orioles topped the Brooklyn Dodgers, 4-1. The Chicago White Sox managed to nip Atlanta of the Southern Association, 8-7, with the benefit of five runs in the seventh inning.

PENNANT STOCK OF GIANTS AND DODGERS RISES

By RALPH RODEN
(Associated Press Sports Writer)

The pennant stock of the New York Giants and the Brooklyn Dodgers is on the ascent today.

It appears that Clem Labine, slated to fill the big shoes of Private Don Newcombe of the United States Army, will make the grade while the Giants' hopes are brightened by the acquisition of Bob Elliott, veteran slugger from the Boston Braves.

The Giants obtained Elliott late Tuesday for pitcher Sheldon Jones and an estimated \$50,000. Elliott, a holdout with the Braves, came to terms quickly and will report to the Giants at Tulsa, Okla., tomorrow.

In Irvin's Spot

Manager Leo Durocher plans to stick Elliott in left field, a spot left vacant by the injury to Monte Irvin, who suffered a broken ankle in a recent exhibition game.

The Giants can use Elliott's big bat. The National league champions were beaten, 5-0, by the Cleveland Indians in Houston, Tex., Tuesday. Bob Feller and George Zervink blanked the Giants on eight hits.

Brooklyn doesn't expect Labine to win 20 games but the Brooks wouldn't be surprised if the husky 23-year-old curve ball artist did hit that magic number.

Labine, bothered recently with a swelling on his pitching elbow, became the third Dodger pitcher to go nine innings yesterday when he turned back the Boston Braves, 4-1, at Richmond, Va. The youngster, a former army paratrooper, said after the game that his arm was improved.

The Dodger hopeful, who gained the spotlight last year when he won five games and lost one, allowed the Braves eight hits. The Dodgers six hits included two home runs by Duke Snider and one by muscle man Gil Hodges.

It is believed that more boys than girls are born among all groups of human beings.

LOCAL GRAD TO END CAREER AS 40-YEAR COACH

Charles P. Lantz, 68, athletic director of Eastern Illinois State college for 41 years, today officially announced his retirement effective next Sept. 1.

Lantz, a graduate and athletic star of Gettysburg (Pa.) college in 1908, came to Eastern in 1911 from a coaching position at the Harrisburg (Pa.) academy.

Lantz currently is coaching Eastern's baseball team for the 40th season. He will have coached Eastern teams in 170 football games, 373 basketball games and 393 baseball games when this season is concluded.

His successor has not yet been named.

Lantz was born in West Fairview, near Harrisburg. He played varsity football with the Bullets in 1907 and graduated with the class of 1908. Following graduation he coached at Harrisburg academy until he went to Eastern Illinois. He is a member of the Sigma Alpha Epsilon fraternity.

Baseball Training Camp Briefs

Washington, April 10 (AP)—The Washington Senators make their 1952 home town debut tonight against the Brooklyn Dodgers in Griffith Stadium.

The Nats ended their nine-game tour with the Cincinnati Reds with a 3-2 loss yesterday that put them on the short end of a 6-3 game record.

Bob Porterfield, listed as Washington's starter in next Tuesday's season opener against the Boston Red Sox, is slated to pitch tonight's first seven innings.

St. Louis, April 10 (AP)—The St. Louis Browns returned to their home park today after cancelling two remaining exhibition games with the Chicago Cubs because of adverse weather conditions.

Rain and 36-degree temperatures knocked out yesterday's scheduled meeting at Wichita, Kan., and similar conditions at Topeka, Kan., cancelled today's contest.

The Browns lost 19 and won 10 on the exhibition circuit. They open a city series with the Cardinals Saturday.

Richmond, Va., April 10 (AP)—Manager Eddie Sawyer of the Philadelphia Phillies has a delightful dilemma facing him these days—he can't make up his mind on his first-string catcher because he has three receivers playing good ball.

Forrest (Smoky) Burgess, obtained from Cincinnati Reds, looked like the choice for a while. But along came Del Wilber to show his wares. Yesterday Stan Lopata served notice he's not ready to be counted out by hitting two circuit clouts in the 8-6 loss to the Cardinals.

Memphis, Tenn., April 10 (AP)—Manager Bill Meyer left his Pittsburgh Pirates today, heading for his home in Knoxville to attend to personal affairs before the opening of the National league season.

Meyer will rejoin the Bucs in Washington when they are scheduled to meet the Washington Senators in an exhibition. During his absence the team will be handled by Coach Bill Poedel.

Greensboro, S. C., April 10 (AP)—A right-handed hurling veteran who doesn't even belong to the Philadelphia Athletics is fast becoming one of Manager Jimmy Dykes' favorites.

Ed Wright, formerly with the Boston Braves, has been impressive in every outing he has made this spring. Technically, he belongs to the A's Ottawa farm of the International league.

Yesterday Wright added to his spring training laurels by limiting the Danville Leafs to three hits in three frames as the A's won, 15-3. Joe Coleman was supposed to pitch but he came up with the gripe.

Tulsa, Okla., April 10 (AP)—Because of "keen competition" in the outfield, Cleveland Manager Al Lopez still won't list his opening day lineup.

"To tell the truth, I haven't made up my mind," said Al. "I think it's only fair to the guys to wait until the very end of the exhibition tour (at Indianapolis, Sunday)."

The choices are Dale Mitchell or Jim Fridley in left, and Harry Simpson or Bob Kennedy in right. If Mitchell gets left field, Fridley becomes a candidate for right. "One thing," continued Lopez. "I hope I don't have to use a platoon system. I'd like to pick what I think is the best combination and stick to it."

Boston, April 10 (AP)—New York's delegation gained both team and top individual honors while providing two 1952 champions during the three nights of National AAU boxing competition at the Boston Garden.

After a total of 128 bouts, in which 138 boxers from 20 sectional associations battled, Floyd Patterson, an 18-year-old New York school-boy, was voted the tourney's outstanding competitor while winning the 165-pound title. The New York team drew the high total of 19 points.

Clouds Blamed For Collision Of Planes

Camp Edwards, Mass., April 10 (AP)—An unexpected cloud formation was blamed today for the collision of two air force planes traveling at better than 500 miles an hour over Cape Cod. Twelve air force men were killed.

The last of the bodies weren't recovered until several hours after the planes crashed in flaming explosion yesterday.

A C-47 out of Stewart Air Force Base, Newburgh, N. Y., carried 19 men. An P-94 fighter carried two men. Both planes were on training flights.

Capt. Robert J. Stephenson, public relations officer at this camp's Otis Air Force Base, said one of the two pilots apparently was blinded by billowy clouds which floated over the camp.

Capt. Stephenson said the planes were at between 3,000 and 7,000 feet altitude when they collided.

HOW SENATORS VOTED

Washington, April 10 (AP)—Both of Pennsylvania's U. S. senators—Republicans Edward Martin and James H. Duff—favored passage of the McClellan bill, approved by the Senate Tuesday 55-8. Martin voted with the majority. Duff not vote but was announced as favoring passage of the measure.

Fights Last Night

(By The Associated Press)

Detroit — Jake LaMotta, 167½, New York, outpointed Norman Hayes, 162, Boston, 10.

The eggs of sea horses are hatched by the males while carried in a pouch in the body.

LAMOTTA WINS OVER HAYES IN SLUGGING DUEL

By HARRY STAPLER

Detroit, April 10 (AP)—Jake LaMotta's comeback express still thunders along today. The 30-year-old former middleweight champion battered his former conqueror, Norman Hayes, in a 10-round slugfest last night to grab a unanimous decision.

"Think I'll be ready for another fight in three weeks," said the Bronx Bull who wants to fight once a month. No opponent has been named.

Jake, fighting in his "lucky city" of Detroit for the 20th time, was the same old shuffler and slugger. The crowd roared as he swapped whirlwind punches with Hayes for the last minute of most every round. Jake weighed 167½ and Hayes 162.

LaMotta was in trouble only in the early rounds of this televised battle—his 100th in 12 years as a pro.

Hayes, 21-year-old Bostonian, grabbed an edge with his face jabs and blasts to the body in the first, second and fourth rounds.

But Jake, looking far sharper than in his loss to Hayes in Boston January 28 and his draw with Eugene Hairston March 5, rocked his foe in the last five rounds.

It gave him this edge on the scorecards: Referee Tom Briscoe 55-45; Judge Joe Lenahan 54-46; Judge Jack Aspery 51-49.

Staggers Hayes

The 6204 fans who paid \$14.631 roared at Jake, their favorite, to

finish off Hayes in the tenth round. Jake's jolting left staggered Hayes but the round ended before Jake could put him down.

Despite the battering, Hayes never was on the canvas. LaMotta, a master at faking, acted dazed when Hayes speared him once. But when Hayes moved in, Jake slugged him savagely.

Jake has never been knocked off his feet.

LaMotta was warned in the first round when he speared Hayes low in the stomach. And Hayes, trying to work on Jake's body, got warned for a third round low blow.

The two scrappers collided in a

wild-swinging brawl that lasted for 20 seconds just at the end of the second round. And the crowd boomed approval.

It was the same late in every round thereafter, except the fifth. LaMotta usually came out on top.

Detroit fans have seen Jake win 17, lose one and draw twice here. Only Sugar Ray Robinson, now middleweight champion, beat him.

"Guess I must have made about a quarter million (dollars) here," said Jake. "This is really my good luck city."

General

New York — Monte Irvin,

Giants' outfielder who suffered a fractured ankle in Denver last week, returned to New York.

Chicago — Representatives of seven midwestern colleges accepted a general plan for a new basketball conference. They are Notre Dame, Marquette, Loyola, De Paul, Bradley, Louisville and Butler.

Williamsburg, Va. — J. M. Eason resigned as head football coach and athletic director at William and Mary to go back to high school coach. Jackie Freeman, last year's backfield coach, was named to both positions.

WARRIORS DROP 2-0 DECISION TO BUBBLER 9

A squeeze bunt in the third inning which enabled two runners to score gave the Boiling Springs high school baseball team a 2-0 victory over the Gettysburg high nine in the Warriors' opening game of the season Wednesday afternoon at Boiling Springs.

"Skip" Fiscei, veteran Gettysburg hurler, and Don Mentzer, Bubler ace, hooked up in a beautiful pitchers' battle with the former giving up but two hits while Mentzer yielded one. All were in-field safeties.

Clark opened the last of the third frame with an infield hit and Lebo drew a walk. Clark went to third on a passed ball and later Lebo stole second base. Mentzer laid down a bunt and both runners streaked over as the ball was played slowly.

Jim Hankey, Warrior left fielder, spoiled Mentzer's bid for a no-hitter when he beat out an infield hit in the second inning.

A total of but five balls were hit during the game to the outfield.

The Warrior's next game will be Friday, April 18, when Hanover will be met here in the opening South Penn league game.

Twilight League Meeting Tonight

President Maynard Stuckey requests that all teams have representatives present. A sixth team is expected to be added to complete the league membership.

SAWYER'S STAR ROOKIE BEATEN BY CARDINALS

By ED CORRIGAN
(Associated Press Sports Writer)

Eddie "Austerity Program" Sawyer, the Philadelphia Phillies' scholarly manager, had a brand new problem on his mind today, along with the recurrence of an old one.

Remember Steve Ridzik, the rookie who hurled the no-hitter against the St. Louis Cardinals the last time out? It turned out that he didn't have any Indian sign yesterday on the Red Birds, who knocked him out in the sixth inning and went on to win, 8-6.

Ridzik was somewhat of a surprise to Sawyer, inasmuch as the rookie compiled only a 5-11 record with Baltimore last year. Sawyer doesn't intend to abandon Steve, however, although he has his fingers crossed that the no-hitter wasn't a fluke.

Then, while he was mulling over the sheelacking Ridzik took, Sawyer brought in his one-time relief ace, Jim Konstanty. Two years ago, when Konstanty got in a ball game, he usually was the last pitcher in the Phillies' part of the line score. He was that effective.

Konstanty Blasted
Well, the aging Jim managed to fan Del Rice, but was slapped for successive doubles by Gene Mauch and Cloyd Boyer, neither of whom is regarded as exactly a fence buster. Even with his strong starting hurlers, Sawyer was hoping that Konstanty would come back to his 1950 form when he won 16 games and compiled a 2.66 earned run average. Last year he won just four with an ERA of 4.93.

The Cards even won the "B" game part of a doubleheader, whipping the Phils, 3-2, in a five-inning affair called by darkness. But the Cleveland Indians certainly have a hoodoo on the New York Giants. The Tribe slapped down the New Yorkers for the 11th time in 13 meetings, 2-1, only only three hits. Ironically, the Giants got nine off the combined offerings of Bob Chakales and Lefty Kerrigan. The only one that caused any concern was Wes Westrum's homer in the sixth.

The major leaguers didn't fare so well in night games, though. Memphis of the Southern Association defeated the Pittsburgh Pirates, 3-2, and the International league Baltimore Orioles topped the Brooklyn Dodgers, 4-1. The Chicago White Sox managed to nip Atlanta of the Southern Association, 8-7, with the benefit of five runs in the seventh inning.

PENNANT STOCK OF GIANTS AND DODGERS RISES

By RALPH RODEN
(Associated Press Sports Writer)

The pennant stock of the New York Giants and the Brooklyn Dodgers is on the ascent today. It appears that Clem Labine, slated to fill the big shoes of Private Don Newcombe of the United States Army, will make the grade while the Giants' hopes are brightened by the acquisition of Bob Elliott, veteran slugger from the Boston Braves.

The Giants obtained Elliott late Tuesday for pitcher Sheldon Jones and an estimated \$50,000. Elliott, a holdout with the Braves, came to terms quickly and will report to the Giants at Tulsa, Okla., tomorrow.

In Irvin's Spot
Manager Leo Durocher plans to stick Elliott in left field, a spot left vacant by the injury to Monte Irvin, who suffered a broken ankle in a recent exhibition game.

The Giants can use Elliott's big bat. The National league champions were beaten, 5-0, by the Cleveland Indians in Houston, Tex., Tuesday. Bob Feller and George Zervink blanked the Giants on eight hits.

Brooklyn doesn't expect Labine to win 20 games but the Brooks wouldn't be surprised if the husky 25-year-old curve ball artist did hit that magic number.

Labine, bothered recently with a swelling on his pitching elbow, became the third Dodger pitcher to go nine innings yesterday when he turned back the Boston Braves, 4-1, at Richmond, Va. The youngster, a former army paratrooper, said after the game that his arm was improved.

The Dodger hopeful, who gained the spotlight last year when he won five games and lost one, allowed the Braves eight hits. The Dodgers six hits included two home runs by Duke Snider and one by muscle man Gil Hodges.

It is believed that more boys than girls are born among all groups of human beings.

LOCAL GRAD TO END CAREER AS 40-YEAR COACH

Charles P. Lantz, 68, athletic director of Eastern Illinois State college for 41 years, today officially announced his retirement effective next Sept. 1.

Lantz, a graduate and athletic star of Gettysburg (Pa.) college in 1908, came to Eastern in 1911 from a coaching position at the Harrisburg (Pa.) academy.

Lantz currently is coaching Eastern's baseball team for the 40th season. He will have coached Eastern teams in 170 football games, 373 basketball games and 393 baseball games when this season is concluded.

His successor has not yet been named.

Lantz was born in West Fairview, near Harrisburg. He played varsity football with the Bullets in 1907 and graduated with the class of 1908. Following graduation he coached at Harrisburg academy until he went to Eastern Illinois. He is a member of the Sigma Alpha Epsilon fraternity.

Baseball Training Camp Briefs

Washington, April 10 (AP)—The Washington Senators make their 1952 home town debut tonight against the Brooklyn Dodgers in Griffith Stadium.

The Nats ended their nine-game tour with the Cincinnati Reds with a 3-2 loss yesterday that put them on the short end of a 6-3 game record.

Bob Porterfield, listed as Washington's starter in next Tuesday's season opener against the Boston Red Sox, is slated to pitch tonight's first seven innings.

St. Louis, April 10 (AP)—The St. Louis Browns returned to their home park today after cancelling two remaining exhibition games with the Chicago Cubs because of adverse weather conditions.

Rain and 36-degree temperatures knocked out yesterday's scheduled meeting at Wichita, Kan., and similar conditions at Topeka, Kan., cancelled today's contest.

The Browns lost 19 and won 10 on the exhibition circuit. They open a city series with the Cardinals Saturday.

Richmond, Va., April 10 (AP)—Manager Eddie Sawyer of the Philadelphia Phillies has a delightful dilemma facing him these days—he can't make up his mind on his first-string catcher because he has three receivers playing good ball.

Forrest (Smoky) Burgess, obtained from Cincinnati Reds, looked like the choice for a while. But along came Del Wilber to show his wares. Yesterday Stan Lopata served notice he's not ready to be counted out by hitting two circuit clouts in the 8-6 loss to the Cardinals.

Memphis, Tenn., April 10 (AP)—Manager Bill Meyer left his Pittsburgh Pirates today, heading for his home in Knoxville to attend to personal affairs before the opening of the National league season.

Meyer will rejoin the Bucs in Washington when they are scheduled to meet the Washington Senators in an exhibition. During his absence the team will be handled by Coach Bill Poedel.

Greensboro, S. C., April 10 (AP)—A right-handed hurling veteran who doesn't even belong to the Philadelphia Athletics is fast becoming one of Manager Jimmy Dykes' favorites.

Ed Wright, formerly with the Boston Braves, has been impressive in every outing he has made this spring. Technically, he belongs to the A's Ottawa farm of the International league.

Yesterday Wright added to his spring training laurels by limiting the Danville Leafs to three hits in three frames as the A's won, 15-3. Joe Coleman was supposed to pitch but he came up with the grippe.

Tulsa, Okla., April 10 (AP)—Because of "keen competition" in the outfield, Cleveland Manager Al Lopez still won't list his opening day lineup.

"To tell the truth, I haven't made up my mind," said Al. "I think it's only fair to the guys to wait until the very end of the exhibition tour (at Indianapolis, Sunday)."

The choices are Dale Mitchell or Jim Fridley in left, and Harry Simpson or Bob Kennedy in right. If Mitchell gets left field, Fridley becomes a candidate for right. "One thing," continued Lopez. "I hope I don't have to use a platoon system. I'd like to pick what I think is the best combination and stick to it."

Boston, April 10 (AP)—New York's delegation gained both team and top individual honors while providing two 1952 champions during the three nights of National AAU boxing competition at the Boston Garden.

After a total of 128 bouts, in which 138 boxers from 20 sectional associations battled, Floyd Patterson, an 18-year-old New York schoolboy, was voted the tourney's outstanding competitor while winning the 165-pound title. The New York team drew the high total of 19 points.

Clouds Blamed For Collision Of Planes

Camp Edwards, Mass., April 10 (AP)—An unexpected cloud formation was blamed today for the collision of two air force planes traveling at better than 500 miles an hour over Cape Cod. Twelve air force men were killed.

The last of the bodies weren't recovered until several hours after the planes crashed in flaming explosion yesterday.

A C-47 out of Stewart Air Force Base, Newburgh, N. Y., carried 10 men. An F-94 fighter carried two men. Both planes were on training flights.

Capt. Robert J. Stephenson, public relations officer at this camp's Otis Air Force Base, said one of the two pilots apparently was blinded by billowy clouds which floated over the camp.

Capt. Stephenson said the planes were at between 5,000 and 7,000 feet altitude when they collided.

HOW SENATORS VOTED

Washington, April 10 (AP)—Both of Pennsylvania's U. S. senators—Republicans Edward Martin and James H. Duff—favored passage of the McClellan bill, approved by the Senate Tuesday 55-8. Martin voted with the majority. Duff not vote but was announced as favoring passage of the measure.

Fights Last Night

(By The Associated Press)
Detroit — Jake LaMotta, 167½, New York, outpointed Norman Hayes, 162, Boston, 10.

The eggs of sea horses are hatched by the males while carried in a pouch in the body.

LAMOTTA WINS OVER HAYES IN SLUGGING DUEL

By HARRY STAPLER

Detroit, April 10 (AP)—Jake LaMotta's comeback express still thunders along today. The 30-year-old former middleweight champion battered his former conqueror, Norman Hayes, in a 10-round slugfest last night to grab a unanimous decision.

"Think I'll be ready for another fight in three weeks," said the Bronx Bull who wants to fight once a month. No opponent has been named.

Jake, fighting in his "lucky city" of Detroit for the 20th time, was the same old shuffler and slugger. The crowd roared as he swapped whirlwind punches with Hayes for the last minute of most every round. Jake weighed 167½ and Hayes 162. LaMotta was in trouble only in the early rounds of this televised battle—his 100th in 12 years as a pro.

Hayes, 21-year-old Bostonian, grabbed an edge with his face jabs and blasts to the body in the first, second and fourth rounds.

But Jake, looking far sharper than in his loss to Hayes in Boston January 28 and his draw with Eugene Hairston March 5, rocked his foe in the last five rounds.

It gave him this edge on the scorecards: Referee Tom Briscoe 55-45; Judge Joe Lenahan 54-46; Judge Jack Aspery 51-49.

Staggers Hayes
The 6,204 fans who paid \$14,631 roared at Jake, their favorite, to

finish off Hayes in the tenth round. Jake's jolting left staggered Hayes but the round ended before Jake could put him down.

Despite the battering, Hayes never was on the canvas. LaMotta, a master at faking, acted dazed when Hayes speared him once. But when Hayes moved in, Jake slugged him savagely.

Jake has never been knocked off his feet.

LaMotta was warned in the first round when he speared Hayes low in the stomach. And Hayes, trying to work on Jake's body, got warned for a third round low blow.

The two scrappers collided in a

wild-swinging brawl that lasted for 20 seconds just at the end of the second round. And the crowd boomed approval.

It was the same late in every round thereafter, except the fifth. LaMotta usually came out on top.

Detroit fans have seen Jake win 17, lose one and draw twice here. Only Sugar Ray Robinson, now middleweight champion, beat him.

"Guess I must have made about a quarter million (dollars) here," said Jake. "This is really my good luck city."

General
New York — Monte Irvin,

Giants' outfielder who suffered a fractured ankle in Denver last week, returned to New York.

Chicago — Representatives of seven midwestern colleges accepted a general plan for a new basketball conference. They are Notre Dame, Marquette, Loyola, De Paul, Bradley, Louisville and Butler.

Williamsburg, Va. — J. M. Eason resigned as head football coach and athletic director at William and Mary to go back to high school coach. Jackie Freeman, last year's backfield coach, was named to both positions.

Today's Talk
By GEORGE MATTHEW ADAMS

REVERENCE FOR LIFE
There is nothing in the life that is more sacred than life itself. Therefore there should be within every human being an abiding reverence for life—never holding it cheap and of little account. Shakespeare's Hamlet, meditating upon this thought, exclaimed:

"What a piece of work is a Man!"

The Biblical Moses must have had this same thought in mind when he included in one of his Ten Commandments, "Thou shalt not kill." The reading of our newspapers and the accounts of all our tragic wars, however, still remind us of the cheapness of God's creation—Man. And we call it "sport" just to kill a beautiful animal or bird—for the fun of it!

"Love and let live" is something that should remind us all of the importance and sacredness of all life, whether man, beast or bird. The greatest enemy of a reverence for life is war. The grin of the devil is upon the face of all who advocate or encourage war. What a waste of man is war, exclaimed Galsworthy in one of his beautiful poems.

As a boy I once listened to a great lecturer. I have forgotten everything he said but one line that has come to me again and again. It was this: "It is serious business starting a soul voyaging toward eternity!" How very beautiful life can be when we look upon it with respect and reverence.

All through the teachings of Christ you will note this great reverence for life—even to the flowers of the field. What a sight it is to see a child pluck the simplest flower, fascinated with its beauty and fragrance, and carry it around in its dainty hands.

What else could our scientists have in mind but a great reverence for life, as they progress, step by step, to the discovery of ways of saving life and conquering destructive diseases? What a debt we all owe them. What a thrill must come to them for their discoveries and unselfish gifts to mankind!

Tomorrow Mr. Adams will talk on the subject: "Take Time to Just Sit."

Littlestown
WILL ABANDON "REC" PROGRAM THIS SUMMER

It was decided to abandon the summer recreation program for the children and youth of the community at the April meeting of the Littlestown School Board, held on Tuesday evening at the high school. The board members did not think it was advisable to continue with the program due to the organization of the local Little League Baseball club, and also because of the small attendance in previous years.

The meeting was in charge of the president, Karl P. Bankert, and members in attendance included Wilbur E. Mackley, Henry E. Waltman, Carl H. Baumgardner and Lloyd E. Crouse; also the secretary, Luther W. Ritter, and Supervising Principal Paul E. King. A resolution was adopted to permit the Athletic Council to use the old baseball diamond on the playground on Monday and Wednesday evenings during the coming summer for Little League baseball games. Secretary Ritter presented his report as follows: Receipts for the past month, received from the State Department of Education, \$18,545.43; paid to the Littlestown Joint School system, \$5,322.76. The next session of the board will be held Tuesday, May 13, at the high school.

Distribution of Holy Communion will take place at St. John's Lutheran church on Good Friday at 7:30 p.m. The communion will be preceded by the preparatory service. Communion services will be held on Sunday at 8 and 10:15 a.m., and new members will be received at these services. The Easter program by the Children's Sunday school department will be presented on Sunday evening at 7:30 o'clock.

Firemen To Meet
Fire Chief Glenn E. Ohler has requested that all fire police of the Alpha Fire company No. 1 meet at the engine house on Monday evening at 7:30 p.m. to go to Gettysburg to attend the meeting of the organization of fire police of Adams county. The meeting will be at 8 o'clock at the court house. Transportation will be provided.

The Rev. G. Howard Koons, pastor of Christ Reformed church, will conduct the service of Holy Communion there on Good Friday evening at 7:30 o'clock. The administration of Holy Communion will also take place on East Sunday at 10:15 a.m.

In observance of Good Friday the Littlestown State bank, the Littlestown National bank and the State Liquor store will be closed all day. The community stores will observe their regular shopping hours that day.

Boy Scouts Plan Dance
Senior Boy Scout Post No. 84 will have its investiture ceremonies and a dance on Monday evening, April 14, 7:30 p.m., in the Littlestown high school cafeteria. All scouts joining the post who have not been invested and have not paid their dues and 50 cents per person required for the dance, are requested to do so before Monday. Payment may be made to Scouts Dean Sell or Dean Bankert. Only those scouts who have paid their dues will be rechartered for membership. Merit badges will be awarded at the post meetings on Tuesday, April 22 and 29, at the high school. George H. Dirlow is scoutmaster of the post and the assistants are David S. Kammerer, Jr., and Clyde W. Crouse. Frank E. Basehoar, chairman of the committee in charge of arrangements for the investiture and dance, has requested that the adult leaders of the post attend the affair scheduled for this coming Monday evening.

The Senior choir of Redeemer's Reformed church will present the classical Easter cantata "Crucifixion" by Sir John Stainer on Friday evening at 8 o'clock. The presentation will be under the direction of guest conductor, the Rev. J. Alfred Fryer of Memorial church, York. The soloists will be Harold O. Sentz, Steward N. Long, and Perree Le Ferre. Miss Shirley Gobrecht, church organist, will preside at the console.

Holy Communion will be administered at St. Paul's Lutheran church on Good Friday at 7:30 p.m. A message will be brought by the pastor, the Rev. David S. Kammerer.

An Easter Dawn service will be held on Sunday morning at 6:30 a.m. and a sermon on the subject "The Significance of Easter" will be presented by the pastor. Holy Communion will take place at 10:30 a.m.

The Rev. Fr. Edward J. Shanahan has announced that the mass of the presanctified will take place Friday morning at 8 o'clock, which will include the reading of the passion according to St. John. A Holy Hour will be held from 1:30 to 2:30 at which time the Good Friday offering will be received for the Holy Land. Prior to the mass on Saturday morning at 8 o'clock, blessing of the new fire, blessing of the paschal candle, reading of the prophecies and blessing of the water font will occur.

A special Lenten service will be held in St. Mary's Lutheran church, Silver Run, Good Friday at 7:30 p.m.

Today's Talk

By GEORGE MATTHEW ADAMS

REVERENCE FOR LIFE

There is nothing in the life that is more sacred than life itself. Therefore there should be within every human being an abiding reverence for life—never holding it cheap and of little account. Shakespeare's Hamlet, meditating upon this thought, exclaimed:

"What a piece of work is a Man!"

The Biblical Moses must have had this same thought in mind when he included in one of his Ten Commandments, "Thou shalt not kill." The reading of our newspapers and the accounts of all our tragic wars, however, still remind us of the cheapness of God's creation—Man. And we call it "sport" just to kill a beautiful animal or bird—for the fun of it!

"Live and let live" is something that should remind us all of the importance and sacredness of all life, whether man, beast or bird. The greatest enemy of a reverence for life is war. The grin of the devil is upon the face of all who advocate or encourage war. What a waste of man is war, exclaimed Galsworthy in one of his beautiful poems.

As a boy I once listened to a great lecturer. I have forgotten everything he said but one line that has come to me again and again. It was this: "It is serious business starting a soul voyaging toward eternity!" How very beautiful life can be when we look upon it with respect and reverence.

All through the teachings of Christ you will note this great reverence for life—even to the flowers of the field. What a sight it is to see a child pluck the simplest flower, fascinated with its beauty and fragrance, and carry it around in its dainty hands.

What else could our scientists have in mind but a great reverence for life, as they progress, step by step, to the discovery of ways of saving life and conquering destructive diseases? What a debt we all owe them. What a thrill must come to them for their discoveries and unselfish gifts to mankind!

Tomorrow Mr. Adams will talk on the subject: "Take Time to Just Sit."

WILL ABANDON "REC" PROGRAM THIS SUMMER

It was decided to abandon the summer recreation program for the children and youth of the community at the April meeting of the Littlestown School Board, held on Tuesday evening at the high school. The board members did not think it was advisable to continue with the program due to the organization of the local Little League Baseball club, and also because of the small attendance in previous years.

The meeting was in charge of the president, Karl P. Bankert, and members in attendance included Wilbur E. Mackley, Henry E. Waltman, Carl H. Baumgardner and Lloyd E. Crouse; also the secretary, Luther W. Ritter, and Supervising Principal Paul E. King. A resolution was adopted to permit the Athletic Council to use the old baseball diamond on the playground on Monday and Wednesday evenings during the coming summer for Little League baseball games. Secretary Ritter presented his report as follows: Receipts for the past month, received from the state Department of Education, \$18,545.43; paid to the Littlestown Joint School system, \$5,522.76. The next session of the board will be held Tuesday, May 13, at the high school.

Distribution of Holy Communion will take place at St. John's Lutheran church on Good Friday at 7:30 p.m. The communion will be preceded by the preparatory service. Communion services will be held on Sunday at 8 and 10:15 a.m., and new members will be received at these services. The Easter program by the Children's Sunday school department will be presented on Sunday evening at 7:30 o'clock.

Fire Chief Glenn E. Ohler has requested that all fire police of the Alpha Fire company No. 1 meet at the engine house on Monday evening at 7:30 p.m. to go to Gettysburg to attend the meeting of the organization of fire police of Adams county. The meeting will be at 8 o'clock at the court house. Transportation

will be provided.

The Rev. G. Howard Koons, pastor of Christ Reformed church, will conduct the service of Holy Communion there on Good Friday evening at 7:30 o'clock. The administration of Holy Communion will also take place on East Sunday at 10:15 a.m.

In observance of Good Friday the Littlestown State bank, the Littlestown National bank and the State Liquor store will be closed all day. The community stores will observe their regular shopping hours that day.

Boy Scouts Plan Dance

Senior Boy Scout Post No. 84 will have its investiture ceremonies and a dance on Monday evening, April 14, 7:30 p.m., in the Littlestown high school cafeteria. All scouts joining the post who have not been invested and have not paid their dues and 50 cents per person required for the dance, are requested to do so before Monday. Payment may be made to Scouts Dean Sell or Dean Bankert. Only those scouts who have paid their dues will be rechartered for membership. Merit badges will be awarded at the post meetings on Tuesday, April 22 and 29, at the high school. George H. Dittlow is scoutmaster of the post and the assistants are David S. Kammerer, Jr., and Clyde W. Crouse. Frank E. Basehoar, chairman of the committee in charge of arrangements for the investiture and dance, has requested that the adult leaders of the post attend the affair scheduled for this coming Monday evening.

The Senior choir of Redeemer's Reformed church will present the classical Easter cantata "Crucifixion" by Sir John Stainer on Friday evening at 8 o'clock. The presentation will be under the direction of guest conductor, the Rev. J. Alfred Fryer of Memorial church, York. The soloists will be Harold O. Sentz, Steward N. Long, and Ferree Le Pevre. Miss Shirley Dobrecht, church organist, will preside at the console.

Holy Communion will be administered at St. Paul's Lutheran church on Good Friday at 7:30 p.m. A message will be brought by the pastor, the Rev. David S. Kammerer.

76,000 PHONE WORKERS STRIKE

Washington, April 10 (AP)—Telephone workers over most of the nation stayed away from work today, refusing to pass picket lines thrown up by striking Western Electric company equipment workers.

Actually only 16,000 Western Electric men, plus 61,000 phone operators and other employees in Michigan, Ohio, New Jersey and northern California, were out on strike. Their walkout began four days ago.

But other Bell telephone system employees became idle after the Western Electric strikers, with members in 43 states, began picketing on orders of Joseph A. Berne, president of the CIO Communications Workers of America (CWA).

It was reported that the union planned to strike at three North Carolina Western Electric plants engaged in producing U. S. Air Force equipment. These plants are at Winston-Salem, Burlington and Greensboro.

On the whole the strike was orderly. Only two flareups were reported. Most serious was a disturbance in Fairmont, W. Va., last night. The Chesapeake and Potomac Telephone Co. reported that a "troubling mob, completely out of control," peppered the telephone building with rocks, stones and eggs.

C. H. Johnson, vice president and general manager, said a supervisory employee named Jack Miller was hit by a rock and suffered a concussion. No union officials were available for comment.

Shotgun Blast Was Good For Thyroid

St. Albans, England, April 10 (AP)—A shotgun blast that wounded an accused burglar really did him a good turn — it cured his thyroid gland disorder, his attorney told a court.

The defendant, 34-year-old Frederick Thompson, needed an operation on his thyroid but then he was shot in the back of the neck by a householder who caught him climbing through a window.

"By some curious paradox, the shooting seems to have done something to the man's thyroid," his attorney said yesterday. He brought along a medical report to show Thompson had been operated on by a surgeon, but he said he was not at all for the man's thyroid gland disorder — four years' improvement.

McCarra Committee Hits Snag It Set

Washington, April 10 (AP)—The McCarran committee on internal security is trying to bring an ex-Communist from Europe to testify, but is running into difficulties.

The reason: The McCarran committee has Red and ex-Reds from the country.

Sen. Ferguson (R-Mich.), a member of the subcommittee, told reporters about it, and remarked ruefully:

"You sometimes get caught on your own shoehorn."

Shotgun Blast Was Good For Thyroid

St. Albans, England, April 10 (AP)—A shotgun blast that wounded an accused burglar really did him a good turn — it cured his thyroid gland disorder, his attorney told a court.

The defendant, 34-year-old Frederick Thompson, needed an operation on his thyroid, but then he was shot in the back of the neck by a householder who caught him climbing through a window.

"By some curious paradox, the shooting seems to have done something to the man's thyroid," his attorney said yesterday. He brought along a medical report to show Thompson had been suddenly cured. Presiding Judge J. Neville Gray was impressed by the shotgun cure. But he said he had another cure for the man's window-climbing tendencies — four years' imprisonment.

McCarran Committee Hits Snag It Set

Washington, April 10 (AP)—The McCarran committee on internal security is trying to bring an ex-Communist from Europe to testify, but is running into difficulties.

The reason: the McCarran act bars Reds and ex-Reds from the country.

Sen. Ferguson (R-Mich.), a member of the senatorial subcommittee, told reporters about it, and remarked ruefully:

"You sometimes get caught on your own shoehorn."

76,000 PHONE WORKERS STRIKE

Washington, April 10 (AP)—Telephone workers over most of the nation stayed away from work today, refusing to pass picket lines thrown up by striking Western Electric company equipment workers.

Actually only 16,000 Western Electric men, plus 61,000 phone operators and other employees in Michigan, Ohio, New Jersey and northern California, were out on strike. Their walkout began four days ago.

But other Bell telephone system employees became idle after the Western Electric strikers, with members in 43 states, began picketing on orders of Joseph A. Beirne, president of the CIO Communications Workers of America (CWA).

It was reported that the union planned to strike at three North Carolina Western Electric plants engaged in producing U. S. Air Force equipment. These plants are at Winston-Salem, Burlington and Greensboro.

On the whole the strike was orderly. Only two flareups were reported. Most serious was a disturbance in Fairmont, W. Va., last night. The Chesapeake and Potomac Telephone Co. reported that a "riotous mob, completely out of control," peppered the telephone building with rocks, stones and eggs.

C. H. Johnson, vice president and general manager, said a supervisory employee named Jack Miller was hit by a rock and suffered a concussion. No union officials were available for comment.

GETTYSBURG APPLIANCE Store: Daily "

STEEL INDUSTRY STARTS BACK TO PRODUCTION; TO FIGHT IN COURTS

Washington, April 10 (AP) — The steel industry, violently protesting its seizure by the U. S. government, began today to heat up its cooled furnaces for full-scale production and to gird itself anew for a bitter court battle.

In an angry attack on President Truman and CIO President Philip Murray, a top industry official said last night that seizure "discharges a political debt to the CIO" and that Murray "now gives Harry S. Truman a receipt marked 'paid in full'."

Clarence B. Randall, president of Inland Steel Co., told a nationwide radio, and TV audience that "if any man now threatens (the country's) safety for lack of steel, that man's name is Phil Murray."

Ready To Resume
Union aides said the attack on Murray was "so extreme and unwarranted as to deserve a reply."

Randall's blast was keyed to the emotional pitch which industry and union officials have reached in the long, tense steel dispute.

But the industry said it was ready to resume full steel production. Both sides were summoned to a meeting with John R. Steelman in another attempt to reach agreement on a new work contract.

Secretary of Commerce Sawyer, nominal boss of the eight billion dollar industry, was visited last night by presidents of nine big steel companies.

Workmen Ordered Back

"Without exception I was assured by those present that, except for purely mechanical or temporary impediments, all operations would be resumed immediately," Sawyer said.

He scheduled a meeting with Murray today. The union already has told its 650,000 basic steel

workers to get back on the job. The president's seizure order set off an angry dispute on Capitol Hill that brought various proposals to meet the situation. They ranged from a demand that Congress declare the seizure action illegal to a bill that would give the president specific power to seize industrial plants.

Sen. Taft of Ohio, seeking the Republican nomination, said Truman had "usurped" the powers he used. Harold E. Stassen, another GOP hopeful, said seizure resulted from neglect of presidential duty, that seizure does not solve the wage dispute.

Emmitsburg CATHOLIC PTA PLANS PARTY

The regular monthly meeting of the Parent-Teachers' association of St. Joseph's high school was held on Tuesday evening in the junior home room, with 22 parents and five teachers attending. Before the business meeting the principal introduced Rev. Vincent Nugent, C. M., of the Mary Immaculate seminary, Northampton, Pa., who has been conducting a Retreat for the students of St. Joseph's high school. Reports were heard from the committees in charge of the card party to be held April 15, Mrs. Clarence Wachter, general chairman, reported rapid progress is being made. B. H. Boyle conducted the meeting in the absence of the president. He appointed the following nominating committee: Guy A. Baker, chairman; the principal, Sister Lucille, Mrs. Clarence Wachter, Floyd C. Miller and Harry Kane. It was decided to hold a meeting of this committee on Sunday morning, April 20, after the 10 o'clock mass. The principal reported that the drama committee has decided to wait until she can confer with principals of other Catholic high schools, when they meet in June, on the most popular type of auditorium drapes before making its report. A discussion was held regarding class trips for the different classes of the school. It was

STEEL INDUSTRY STARTS BACK TO PRODUCTION; TO FIGHT IN COURTS

Washington, April 10 (AP)—The steel industry, violently protesting its seizure by the U. S. government, began today to heat up its cooled furnaces for full-scale production and to fight itself anew for a bitter court battle.

In an angry attack on President Truman and CIO President Philip Murray, a top industry official said last night that the seizure "discharges a political debt to the CIO" and that Murray "now gives Harry S. Truman a receipt marked 'paid in full'."

Clarence B. Randall, president of Inland Steel Co., told a nationwide radio and TV audience that "if any man now threatens (the country's) safety for lack of steel, that man's name is Phil Murray."

Ready To Resume
Union aides said the attack on Murray was "so extreme and unwarranted as not to deserve a reply."

Randall's blast was keyed to the emotional pitch which industry and union officials have reached in the long, tense steel dispute.

But the industry said it was ready to resume full steel production. Both sides were summoned to a meeting with John R. Steelman in another attempt to reach agreement on a new work contract.

Secretary of Commerce Sawyer, nominal boss of the eight billion dollar industry, was visited last night by presidents of nine big steel companies.

Workmen Ordered Back

"Without exception I was assured by those present that, except for purely mechanical or temporary impediments, all operations would be resumed immediately," Sawyer said.

He scheduled a meeting with Murray today. The union already has told its 650,000 basic steel

workers to get back on the job.

The president's seizure order set off an angry dispute on Capitol Hill that brought various proposals to meet the situation. They ranged from a demand that Congress declare the seizure action illegal to a bill that would give the president specific power to seize industrial plants.

Sen. Taft of Ohio, seeking the Republican nomination, said Truman had "usurped" the powers he used. Harold E. Stassen, another GOP hopeful, said seizure resulted from neglect of presidential duty, that seizure does not solve the wage dispute.

CATHOLIC PTA PLANS PARTY

The regular monthly meeting of the Parent-Teachers' association of St. Joseph's high school was held on Tuesday evening in the Junior home room, with 22 parents and five teachers attending. Before the business meeting the principal introduced Rev. Vincent Nugent, C. M., of the Mary Immaculate seminary, Northampton, Pa., who has been conducting a Retreat for the students of St. Joseph's high school. Reports were heard from the committees in charge of the card party to be held April 15. Mrs. Clarence Wachter, general chairman, reported rapid progress is being made. B. H. Boyle conducted the meeting in the absence of the president. He appointed the following nominating committee: Guy A. Baker, chairman; the principal, Sister Lucille, Mrs. Clarence Wachter, Floyd C. Miller and Harry Kane. It was decided to hold a meeting of this committee on Sunday morning, April 20, after the 10 o'clock mass. The principal reported that the drape committee has decided to wait until she can confer with principals of other Catholic high schools, when they met in June, on the most popular type of auditorium drapes before making its report. A discussion was held regarding class trips for the different classes of the school. It was

IT'S NO WONDER TRUMAN LOOKED TIRED ON TV

By JAMES MARLOW

Washington, April 10 (AP) — It's no wonder if President Truman looked tired when he addressed the nation on TV this week. The steel dispute is just one more crisis in his seven White House years.

His critics may argue that many of his crises could have been avoided if he had anticipated them and acted sooner, although criticism always has the benefit of hindsight.

But the fact remains that since 1945, at home and abroad, he's been a man with a hose, running around, trying to put out three-alarm fires, even within his own official family.

Wilson, McGrath, Caudle

He acted in the steel dispute, seizing the mills, just a few days after Defense Mobilizer Charles E. Wilson quit. This was followed by his firing of Attorney General J. Howard McGrath who had found it necessary to sack Newbold Morris.

Before that the President had to move in, over McGrath's head, and bounce an assistant attorney general, T. Lamar Caudle, in the midst of the scandals that were popping all over Washington.

And before Caudle there was the most sensational firing of all—Gen. Douglas MacArthur—which had been preceded by the dismissal of Secretary of Defense Louis Johnson.

Few Peaceful Weeks

In an official family crisis between Henry Wallace, secretary of commerce, and James P. Byrnes, secretary of state, Truman sacked Wallace but after Byrnes departed he got into a feud with Truman and it isn't over yet.

There have been few peaceful weeks or even days for Truman. When he went on a Florida vacation last winter the smell of corruption in his administration drove him back to Washington.

In Congress, where he had once been a happy member himself, he

has been frustrated right and left, especially in domestic affairs where his administration certainly set no records for carrying out the party platform.

More To Come

And while he's won his major points in foreign affairs it was not without a struggle, as can be recalled by anyone who just remembers the long debate over troops for Europe.

Since this steel dispute is only the latest of several great crises in the past seven years between organized labor and industry Truman must be used to them by now, and he may not have lost sleep on this one.

But he's still President till next January. Since his White House term has been one crisis after another, we probably haven't seen them all yet or, maybe, the worst.

Harrisburg, April 10 (AP)—A total of some 24,000 displaced persons have been settled in Pennsylvania since a program to aid them was instituted in 1948. The figure was made public in a final report to Gov. John S. Pine on Tuesday by Dr. A. C. Baugher, president of Elizabethtown college and chairman of the Pennsylvania commission on displaced persons.

The report said the program was "worthwhile" in rescuing "men and women and children from the terrible plight of rootless existence in the DP camps of Germany, Austria and Italy."

Philadelphia, April 10 (AP)—Legal action aimed at halting the state's program to kill rabid foxes by the placing of poisoned bait was initiated Tuesday in two suburban counties.

The Montgomery county game protector, Donald Croft, was held in \$1,000 bail at Norristown for grand jury action. He was held on charges of using poison illegally to kill wild game and animals under a complaint filed by Mrs. Marjorie A. Carson of Perkiomen township.

At West Chester, a Chester county group of citizens started an equity suit to prevent Game Protector Ralph Shank from participating in the state program.

IT'S NO WONDER TRUMAN LOOKED TIRED ON TV

By JAMES MARLOW

Washington, April 10 (AP) — It's no wonder if President Truman looked tired when he addressed the nation on TV this week. The steel dispute is just one more crisis in his seven White House years.

His critics may argue that many of his crises could have been avoided if he had anticipated them and acted sooner, although criticism always has the benefit of hindsight.

But the fact remains that since 1945, at home and abroad, he's been a man with a hose, running around, trying to put out three-alarm fires, even within his own official family.

Wilson, McGrath, Caudle

He acted in the steel dispute, seizing the mills, just a few days after Defense Mobilizer Charles E. Wilson quit. This was followed by his firing of Attorney General J. Howard McGrath who had found it necessary to sack Newbold Morris.

Before that the President had to move in, over McGrath's head, and bounce an assistant attorney general, T. Lamar Caudle, in the midst of the scandals that were popping all over Washington.

And before Caudle there was the most sensational firing of all—Gen. Douglas MacArthur—which had been preceded by the dismissal of Secretary of Defense Louis Johnson.

Few Peaceful Weeks

In an official family crisis between Henry Wallace, secretary of commerce, and James P. Byrnes, secretary of state, Truman sacked Wallace but after Byrnes departed he got into a feud with Truman and it isn't over yet.

There have been few peaceful weeks or even days for Truman. When he went on a Florida vacation last winter the smell of corruption in his administration drove him back to Washington.

In Congress, where he had once been a happy member himself, he

has been frustrated right and left, especially in domestic affairs where his administration certainly set no records for carrying out the party platform.

More To Come

And while he's won his major points in foreign affairs it was not without a struggle, as can be recalled by anyone who just remembers the long debate over troops for Europe.

Since this steel dispute is only the latest of several great crises in the past seven years between organized labor and industry Truman must be used to them by now, and he may not have lost sleep on this one.

But he's still President till next January. Since his White House term has been one crisis after another, we probably haven't seen them all yet or, maybe, the worst.

Harrisburg, April 10 (AP)—A total of some 24,000 displaced persons have been settled in Pennsylvania since a program to aid them was instituted in 1948. The figure was made public in a final report to Gov. John S. Fine on Tuesday by Dr. A. C. Baugher, president of Elizabethtown college and chairman of the Pennsylvania commission on displaced persons.

The report said the program was "worthwhile" in rescuing "men and women and children from the terrible plight of rootless existence in the DP camps of Germany, Austria and Italy."

Philadelphia, April 10 (AP)—Legal action aimed at halting the state's program to kill rabid foxes by the placing of poisoned bait was initiated Tuesday in two suburban counties.

The Montgomery county game protector, Donald Croft, was held in \$1,000 bail at Norristown for grand jury action. He was held on charges of using poison illegally to kill wild game and animals under a complaint filed by Mrs. Marjorie A. Carson of Perkiomen township.

At West Chester, a Chester county group of citizens started an equity suit to prevent Game Protector Ralph Shank from participating in the state program.

LEADING NAZIS MAY HAVE TRIED TO FLEE IN SUB

Copenhagen, Denmark, April 10 (AP)—A dynamite blast which raised remnants of a sunken German submarine brought Danish speculation today that leading Nazis—perhaps even Hitler—tried to flee the falling Reich in a U-boat.

The sub was one of three bombed by the RAF on May 4, 1945. At least two were found sunk near the Danish coast. The fate of the third is unknown.

The dynamite charge, set off during salvage operations, broke a torpedo tube and raised huge amounts of rotting food. No corpses or skeletons have been found so far, although the blast raised a few pieces of bone. Investigation showed the U-boat was crammed with food, even in the torpedo tubes, and carried no munitions.

No identifications. No papers were found to identify the occupants nor to prove the deduction the U-boat might have contained high Nazis escaping the doomed Reich. Some Danes wondered whether Hitler might have been one, although Allied investigation has indicated he probably died in a Berlin bunker as the Germans said he did.

Most of the highest Nazis were caught and tried but the fate of at least one—Hitler's last deputy, Martin Bormann—has never been established.

The mystery of "submarine X" as it is now called in the Danish press, probably will never be solved.

Not On War Mission. Divers are blasting the ship into bits to salvage steel, lead and other metals. Corpses of those aboard have been carried away by the

Mr. and Mrs. Archie M. Pentz have reopened their home near Brown's Dam, R. 2, after a month's motor trip south. They spent some time at Charleston, S. C., and with friends at Punta Gorda, Fla.

The marriage of Miss Julia G. Glatfelter, niece of Peter W. Kimmel, with whom she resides, to George Alwood, Red Lion, is scheduled to take place Sunday, April 27, after which the couple will make their home at Red Lion where Mr. Alwood is an instructor of public school music and also does church choir work.

So far no sheet of paper with any clue has been found.

Port and salvage officials agree, however, that the submarine definitely was not bound on any war mission when it was sunk in 12 fathoms of water in Lillebaelt, a narrow Danish straight between Jutland and Funen island. This opinion is based on the fact that the war was then virtually at an end and no ammunition was found aboard.

has opened his new shop at the P. W. Kimmel property here. Mr. and Mrs. Walker expect to move to East Berlin shortly when they will reside in a house trailer.

Mr. and Mrs. Conrad Bless and son, Conrad, had as recent visitors Mrs. Helen Meldrum, York, with her son, Derry, who was on leave from the navy.

Mr. and Mrs. Harry D. Cooley had as recent guests their son-in-law and daughter, Mr. and Mrs. Luther F. Myers, Red Lion. Mrs. Myers was formerly Miss Clara Mae Cooley.

PA. CAMPAIGNS AGAINST CANCER

Harrisburg, April 10 (P)—The state health department reported today it is planning its biggest campaign against cancer. Pennsylvania's number two killer—cancer.

Dr. Kenneth W. Clark, chief of the department's cancer control division, said the campaign is aimed at making every doctor and citizen "cancer conscious."

The campaign first ever attempted by the state on a large scale, has a three-pronged purpose. The first is to educate all Pennsylvanians concerning the nature of cancer. The second is to prevent cancer by eliminating hazards in employment. The third is to lessen the cancer death rate by early treatment.

Cancer took a toll of 15,481 lives in Pennsylvania in 1950, ranking as the second leading cause of death. Heart disease was first with 33,474 deaths.

Although the state division of cancer control has been in existence since 1948, the new statewide anti-cancer campaign is the first attempt by the state to undertake

Delay Argument On Hiss New Trial

New York, April 10 (P)—Argument on Alger Hiss's motion for a new trial has been postponed until June 2.

The new date was fixed in federal court Monday by mutual consent of counsel.

Hiss, former State department official, is serving a five-year perjury sentence for denying before a federal grand jury that he had given secret government documents to former Communist courier Whittaker Chambers.

A new trial is being sought by Hiss on the basis of new evidence he claims to have turned up.

mass cancer education and treatment. The 1951 General Assembly cooperated in the move by allocating a record \$600,000 for cancer control work during the next two years. The biggest chunk, \$350,000, was earmarked for the Institute of Cancer Research at Fox Chase, Philadelphia. The remaining \$250,000 will finance the work of the cancer control division.

Col. Charles Lindbergh received the first Distinguished Flying Cross awarded by the U. S. Government.

John George Bachofer, Mason Official, Dies

Reading, Pa., April 10 (P)—A retired finance corporation executive who was well-known in Pennsylvania Masonic circles, John George Bachofer, 67, died on Monday while riding in his daughter's automobile.

Bachofer was scheduled to be installed as grand commander of the Knights Templar at the state organization's 99th annual convention in Philadelphia next month.

He collapsed while in the car with his daughter, Mrs. Maybel Rader. At Community General hospital he was pronounced dead on arrival.

A native of Reading, he was the manager of a finance corporation when he retired after 30 years of service in 1932. He served as grand commander of the Knights Templar of Pennsylvania, as deputy grand commander of the Knights Templar of Pennsylvania and had been presiding officer of every Masonic order to which he belonged.

HONEST JAP

Maples Shade, S. J., April 10 (P)—The other day Mrs. Henry L. Gibson received a package from Japan containing the wallet of her son, Cpl. Frederick Gibson, who is stationed in Tokyo.

A note accompanying the wallet explained the sender, a Japanese, had found it and that since he had a high regard for American troops he wanted to be sure the soldier got it back. The wallet contained \$41. It was mailed to the address on Cpl. Gibson's drivers license.

Johnstown, Pa., April 10 (P)—Alice Kinney celebrated her 90th birthday today and what's her recipe for longevity?

"Don't get drunk," she chuckles. "But a little sip of wine is the best medicine." Miss Kinney has been blind for 30 years and partially crippled for 22.

the Lock Haven city council Monday night. Included will be construction of a sewage disposal plant ordered by the state sanitary water board under the commonwealth's clean streams law.

Mayor Charles E. Herr cast the lone dissenting vote as the plan was approved 4-1.

"Move Over, Queen," And The Queen Moved

Washington, April 10 (P)—Dutch photographers accompanying Queen Juliana of the Netherlands on her American tour are having a field day getting closeups and informal poses of her they would not dare attempt at home.

Dutch newsmen as well as photographers are amazed at the way the American press handles domestic as well as visiting dignitaries.

"One American photographer shouted, 'Hey, Queen, move over,'" said one awed Dutch newsmen, adding almost with disbelief: "And she did."

Silk worm eggs are very small, about 100 of them weighing one grain.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.

PA. CAMPAIGNS AGAINST CANCER

Harrisburg, April 10 (P)—The state health department reported today it is planning its biggest campaign against Pennsylvania's number two killer—cancer.

Dr. Kenneth W. Clark, chief of the department's cancer control division, said the campaign is aimed at making every doctor and citizen "cancer conscious."

The campaign, first ever attempted by the state on a large scale, has a three-pronged purpose. The first is to educate all Pennsylvanians concerning the nature of cancer. The second is to prevent cancer by eliminating hazards in employment. The third is to lessen the cancer death rate by early treatment.

Cancer took a toll of 15,481 lives in Pennsylvania in 1950, ranking as the second leading cause of death. Heart disease was first with 33,474 deaths.

Although the state division of cancer control has been in existence since 1946, the new statewide anti-cancer campaign is the first attempt by the state to undertake

Delay Argument On Hiss New Trial

New York, April 10 (P)—Argument on Alger Hiss's motion for a new trial has been postponed until June 2.

The new date was fixed in federal court Monday by mutual consent of counsel.

Hiss, former State department official, is serving a five-year perjury sentence for denying before a federal grand jury that he had given secret government documents to former Communist courier Whittaker Chambers.

A new trial is being sought by Hiss on the basis of new evidence he claims to have turned up.

mass cancer education and treatment. The 1951 General Assembly cooperated in the move by allocating a record \$600,000 for cancer control work during the next two years. The biggest chunk, \$350,000, was earmarked for the Institute of Cancer Research at Fox Chase, Philadelphia. The remaining \$250,000 will finance the work of the cancer control division.

Col. Charles Lindbergh received the first Distinguished Flying Cross awarded by the U. S. Government.

John George Bachofer, Mason Official, Dies

Reading, Pa., April 10 (P)—A retired finance corporation executive who was well-known in Pennsylvania Masonic circles, John George Bachofer, 67, died on Monday while riding in his daughter's automobile.

Bachofer was scheduled to be installed as grand commander of the Knights Templar at the state organization's 99th annual convention in Philadelphia next month.

He collapsed while in the car with his daughter, Mrs. Maybel Rader. At Community General hospital he was pronounced dead on arrival.

A native of Reading, he was the manager of a finance corporation when he retired after 30 years of service in 1932. He served as grand commander of the Knights Templar of Pennsylvania, as deputy grand commander of the Knights Templar of Pennsylvania and had been presiding officer of every Masonic order to which he belonged.

HONEST JAP

Maples Shade, S. J., April 10 (P)—The other day Mrs. Henry L. Gibson received a package from Japan containing the wallet of her son, Cpl. Frederick Gibson, who is stationed in Tokyo.

A note accompanying the wallet explained the sender, a Japanese, had found it and that since he had a high regard for American troops he wanted to be sure the soldier got it back. The wallet contained \$41. It was mailed to the address on Cpl. Gibson's drivers license.

Johnstown, Pa., April 10 (P)—Alice Kinney celebrated her 90th birthday today and what's her recipe for longevity?

"Don't get drunk," she chuckles. "But a little sip of wine is the best medicine." Miss Kinney has been blind for 30 years and partially crippled for 22.

The Lock Haven city council Monday night. Included will be construction of a sewage disposal plant ordered by the state sanitary water board under the commonwealth's clean streams law.

Mayor Charles E. Herr cast the lone dissenting vote as the plan was approved 4-1.

"Move Over, Queen," And The Queen Moved

Washington, April 10 (P)—Dutch photographers accompanying Queen Juliana of the Netherlands on her American tour are having a field day getting closeups and informal poses of her they would not dare attempt at home.

Dutch newsmen as well as photographers are amazed at the way the American press handles domestic as well as visiting dignitaries.

"One American photographer shouted, 'Hey, Queen, move over,'" said one awed Dutch newsmen, adding almost with disbelief: "And she did."

FALSE TEETH

That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). TELLS ABOUT BITTER COLD, WINDS AT POLE

Fairbanks, Alaska, April 10 (AP)—A scientist who spent nearly two weeks near the north pole described here Monday the terrible struggle waged against hurricane-force winds and bitter cold that froze kerosene solid.

The Norwegian-born scientist, Dr. Kaare Rodahl, was a member of the original three-man air force party that landed on an ice island near the pole to set up a semi-permanent weather observation station. He said that during the first week of their stay, the island was lashed by hundred mile winds. The temperature was lower than 60 degrees below zero.

An air force C-47 on March 19 landed the three scientists on the island along with a considerable load of supplies. Then the plane and its three C-54 escort craft returned to a base in Greenland.

"When the planes left us," said

Dr. Rodahl, "we faced the problem of establishing a safe camp on the ice island as quickly as possible. By studying the old records of Arctic explorers, we had determined that we faced grave danger from polar gales and extreme cold."

Dr. Rodahl said the three men first dug into the snow to determine the nature of the ice on which they were to establish their camp.

"When we moved about three feet of snow," he said, "we came to porous ice and then dirt. When we removed the dirt we came to clear, blue, glacier ice. That was as solid as a rock. Then we knew our island was safe."

More Than 60 Below

The men immediately set to work building a shelter of blocks carved from frozen snow. A canvas tarpaulin was used for a roof. The canvas was supported by fuel drums piled up inside the structure.

"We were hampered by temperatures which we estimated as being in the 60s below zero, or colder," Dr. Rodahl said. "We had no thermometer, but our kerosene froze solid when we tried to pour

it into a frigid stove. A bottle of whisky the plane crew threw us also froze. That would make it colder than 60 below."

On the fourth day of the stay on the island, a sudden gale sprang up within a period of 30 minutes. The wind grew in velocity until it reached a force of 70 miles an hour with gusts up to 100, Dr. Rodahl said. Powdery snow whipped up by the wind reduced visibility to zero.

Held Roof On

The ice island is about five miles long, eight miles wide and 200 feet thick in places but it "jerked and twisted as the ice pack battered it from all sides," the scientist said.

"Above the roar of the gale, we could hear the pack grinding and roaring around our island. As pressure on the ice built up under the force of the wind, loud noises that sounded like cannon fire came from the ice floes."

The men could do nothing, he said, but crawl into their newly built shelter and cling to the canvas roof to keep it from blowing away.

Drifting in Polar Sea

The storm subsided in about 24 hours and the men resumed work on their shelter. They now have completed four snow-block build-

News Briefs

Montreal, April 10 (AP)—The Empress of Australia—once the pride of Canada's Pacific Steamship Fleet—has been sold for scrap to a British steel corporation.

First called the Tirpitz, the 21,833-ton liner was built in 1914 in Stettin, Germany. She was surrendered to the Allies by Germany in 1919. In 1921 she was acquired by the Canadian Pacific Steamship Co. After almost 20 years as a passenger liner, she was converted into a floating hotel.

Tenth Rescue Squadron planes, flying a 2,500 mile "milk run" from Alaska, supplied the island with tons of stores and equipment, including 90 days rations, a generating plant, radio transmitting equipment to send out weather information and a snow weasel.

Dr. Rodahl said the ice island is drifting at the rate of about one mile per hour in the Polar sea. The island at first was estimated to be about 90 miles from the North Pole but scientific observations have placed its present position as 120 miles from the pole.

senger liner, sailing out of Vancouver, the Empress spent her last years as a British troopship.

New York, April 10 (AP)—Tony Uchino Tuesday celebrated his 50th anniversary as a bootblack on Hanover Square, and had his own shoes shined by the president of the Grace Line, Richard R. Adams.

The shipping company is a subsidiary of the international trading firm of W. R. Grace and Company, whose executives honored the 72-year-old bootblack. They gave him a gold watch in behalf of his many regular customers.

Harrisburg, April 10 (AP)—The Pennsylvania Turnpike Commission discounted reports Tuesday that it is considering permitting hotels on its cross-state toll road. T. J. Evans, commission chairman, said he and his associates are opposed to any such move.

"We're in the turnpike business not the hotel business. Our job is to maintain and improve an expressway that reaches from the outskirts of Philadelphia to the Ohio state line."

Whippany, N. J., April 10 (AP)—CIO pickets beat severely a material witness in the slaying of a New York union organizer during a day-long display of violence at a strikebound Whippany paperboard mill on Monday.

During the all-day running battle between the pickets and a group inside the company's Edert mill, 12 men were injured, a dozen shots

Woman Can Make Herself Sick Over Coveted Fur Coat

Pittsburgh, April 10 (P)—Dr. William Kaufman of Bridgeport, Conn., told delegates to the Congress of American College of Allergists "a woman actually can make herself sick because she doesn't get a fur coat she wants."

Dr. Kaufman said he knows of one case where a woman already owned three fur coats but wanted a fourth. Her husband declined to buy it.

"She developed an allergy," Dr. Kaufman said, "breaking out in a violent rash." After hospital and doctor bills began to pile up, Dr. Kaufman said the husband was advised to buy the coat. He did, according to Dr. Kaufman, and in three days the woman had completely recovered.

Another case cited by Dr. Kaufman was of a woman who was refused a fur coat and began to eat large quantities of candy and drink milk. An allergy resulted which caused the husband to give in, Dr. Kaufman said. He added:

"A lot of people eat foods they know will make them sick, thus preventing them from meeting responsibilities in business or at home. Some patients turn to milk because it is the security food of infancy."

Check Record Of Confessed Swindler

Phoenix, Ariz., April 10 (P)—Phoenix police today awaited word from the FBI in Washington on the record of a man who claims to have swindled more than \$1,000,000 from banks in a 30-year career as a confidence man.

They want to know if any charges are pending against dapper 62-year-old Gabriel F. Rosenthal. He said he is on parole from New York where he had been convicted as an habitual criminal and sentenced to life imprisonment.

Rosenthal was picked up here yesterday while laying the groundwork for an attempt to take \$30,000 from the two Phoenix banks. Detective Earl Moore said.

He had deposited two \$15,000 bogus checks in local banks Tuesday, Moore said, and was arrested after he tried to draw \$1,500 draft on one of the accounts. No charges have been filed.

Woman Can Make Herself Sick Over Coveted Fur Coat

Pittsburgh, April 10 (AP)—Dr. William Kaufman of Bridgeport, Conn., told delegates to the Congress of American College of Allergists "a woman actually can make herself sick because she doesn't get a fur coat she wants."

Dr. Kaufman said he knows of one case where a woman already owned three fur coats but wanted a fourth. Her husband declined to buy it.

"She developed an allergy," Dr. Kaufman said, "breaking out in a violent rash." After hospital and doctor bills began to pile up, Dr. Kaufman said the husband was advised to buy the coat. He did, according to Dr. Kaufman, and in three days the woman had completely recovered.

Another case cited by Dr. Kaufman was of a woman who was refused a fur coat and began to eat large quantities of candy and drink milk. An allergy resulted which caused the husband the give in, Dr. Kaufman said. He added:

"A lot of people eat foods they know will make them sick, thus preventing them from meeting responsibilities in business or at home. Some patients turn to milk because it is the security food of infancy."

Chambersburg, Pa., April 10 (AP)—Three-year old Deborah Robertson died at Chambersburg hospital on Tuesday of burns suffered when her home on the edge of town was destroyed by fire. The child's mother, Mrs. Helen Bisecker, 38, ran through a wall of flame to rescue her from the blaze. The mother and four other children were left homeless.

Check Record Of Confessed Swindler

Phoenix, Ariz., April 10 (AP)—Phoenix police today awaited word from the FBI in Washington on the record of a man who claims to have swindled more than \$1,000,000 from banks in a 30-year career as a confidence man.

They want to know if any charges are pending against dapper 62-year-old Gabriel F. Rosenthal. He said he is on parole from New York where he had been convicted as an habitual criminal and sentenced to life imprisonment.

Rosenthal was picked up here yesterday while laying the groundwork for an attempt to take \$30,000 from the two Phoenix banks, Detective Earl Moore said.

He had deposited two \$15,000 bogus checks in local banks Tuesday, Moore said, and was arrested after he tried to draw \$1,500 draft on one of the accounts. No charges have been filed.

If all the passenger cars in the United States were placed bumper to bumper, it is estimated the line would be 125,000 miles long.

Harrisburg, April 10 (AP)—All Pennsylvanians have been urged by Gov. John S. Fine to observe Sunday School week, April 14-20. "The purpose of the observance is to stimulate child religious education and to rebuild character into the youth of today," Fine said in a statement.
